## **4. How It Works**

- The Referrer cannot use their own link for self-referral.

### **4.3. Late Assignment of a Referrer**

- A Client may manually assign a Referrer after opening a real account by entering the Referrer's User ID.
- Manual assignment is only allowed if none of the Client's accounts are already linked to another Referrer.

### **4.4. Referral Reward**

- The Referrer shall receive 200 Euros<sup>1</sup> worth of "Trading Credits" per eligible Referral.
- The Reward shall be credited only after the 30-day qualification period ends.
